

A cosmic-themed background featuring a bright sun or star in the center, casting a strong light across the scene. The sun is partially obscured by a thin, glowing blue line that curves across the frame. In the background, there are several galaxies, including a prominent spiral galaxy on the left and a more diffuse, cloud-like structure on the right. The overall color palette is dominated by deep blues, oranges, and yellows, creating a sense of vastness and energy.
