A large, solid orange circle is centered on the page. Inside this circle, there is a red silhouette of a hop cone, which is a botanical element used in brewing. The hop cone is positioned in the center of the circle, with its stem pointing upwards. The letters 'JUP', 'I T', and 'ER' are arranged around the circle, with 'JUP' at the top, 'I T' on the right side, and 'ER' at the bottom. The letters are in a red, serif font.
